“TRANSFORMING BROKEN LIVES”

Cody & Amanda

Our marriage was on the rocks and we had just had a newborn son. I was a very angry person and Cody, a pain pill addict, had just been released from jail. The lies, fighting and dishonesty were tearing us apart.

We had finally had enough of the mess and decided to get in touch with Tri-Cities Recovery.

They helped to guide us in the direction of how to accept Jesus as our savior. It has truly been a blessing to go from not having the Lord in our lives, to him being in our lives.

**And, we give Him our utmost thanks for bringing such joy
and peace into our lives**
